Awarded & Regulated By

ATHE is a global awarding organisation regulated by Ofqual and other UK and international regulators. ATHE offers a wide portfolio of vocationally orientated and internationally-recognised qualifications.

Pearson is a globally recognised awarding organisation and one of the world's leading providers of educational qualifications. With a strong reputation for academic excellence and vocational training, Pearson offers a wide range of BTEC, NVQ, and other professional qualifications designed to equip learners with the skills needed for higher education and career success..

Ofqual-regulated qualifications are overseen by the Office of Qualifications and Examinations Regulation (Ofqual) in England. Ofqual is England's main government-appointed regulatory body regulating school, college, and vocational qualifications in the UK.

Regulated Qualifications Framework (RQF) is a system used in England, Northern Ireland, and Wales and ensures qualifications are standardised, making it easier for learners, employers, and educational institutions to understand the value and level of each qualification.
